### Skate Park Clean & Protect

Are your skate parks an **EYESORE?**

Are your skate parks unsafe due to **PAINT BUILD UP?**

Are your skate parks just **DIRTY?**

Not only can we make your Skate Parks look new again, we can help you maintain them with our new Skate Park Protect Coating. This is an invisible coating that helps stop graffiti penetrating the concrete, allowing for easier chemical removal. The coating does not alter the surface tension leaving the surface non slip. The coating also prevents staining from food and chewing gum and has water repelling properties. This shield does not become slippery when wet or turn yellow.

The results:

- no unsightly graffiti
- less costly maintenance
- community pride
- safer environment
- reduced user risk
